INVESTIGATING A REVERSAL

CHAS. F. GRAINGER'S ACROBATIC PERFORM ANCES STIR UP NEW ORLEANS OFFICIALS.

Inquiry Is Promptly Eegun by Judge Murphy When Herse Wins After Having Run Shockingly Bad Race Following a Victorious Performance.

New Orleans, La., January 22.—The astounding acrobatic performance of Chas. F. Grainger, running in the interest of J. O. Talbott and trained by W. V. Casey, when he defeated the overwheiming choice, Joe Deibold, in today's closing dash, created a good bit of adverse comment and caused Judge Murphy to send for trainer Casey to explain the lorse's inconsistency. In a previous start Chas. F. Grainger was beaten badly after having won his previous start. Trainer Cfsey stafed he was at a previous start. Trainer Cfsey stafed he was at a previous start. Trainer Cfsey stafed he was at a control of the cont

ing froje Juarez.

J. H. Madigiu, president of the Niagara Racing Association at Fort Eric, Ont., was a visitor this afternoon.

Luke Le Blond, who developed jockey Turner, was among the new comers from Cincinnati.

James P. Ross, track superintendent of the Lexington course, arrived today in the interest of the Kentucky Racing Association and distributed blanks among owners for the stakes to be decided at the Lexington track beginning April 22. Mr. Ross was immensely impressed with the action here and said: "Horsemen in other parts of the country do not have a full conception of the magnitude the short is enjoying here and it is certainly a great tribute to Judge Murphy and the Business Men's Racing Association for having successfully consummated the revival." Mr. Ross will remain here several days before returning to Lexington.

THE KING OF ENGLAND'S BIG STABLE.

King George has a string of thirty-one horses in readiness for the flat racing season of 1915, so it can be perceived that trainer Richard Marsh has his full share of responsibility and care, especially since one of his charges is the Epsom Derby favorite, Friar Marcus. NOTES OF THE TURF.

W. A. McKinney claimed Mud Sill from P. J. Miles in his last race at Juarez.

James Fitzsimmons, well-known eastern trainer, reported to be negotiating for jockey W. Liliey's mitract.

Of the 837 two-year olds that raced in the United States, Canada and Mexico last year 447 won, 148 others were placed and the remaining 272 were unplaced.

JUAREZ FIELDS BIG AND UNWIELDY.

King Worth Is the Only Favorite to Escape Defeat -Several "Good Things" Win.

El Paso, Tex., January 22.—The fields for today's racing at Juarez were the largest of the season, no less than seventy-nine horses being programmed to start in the six races. A five and a half furlongs dash, with selling conditions, was the best offering of the day. It brought together some useful platers and resulted in victory for Ray Egan's King Worth, with Lottus in the saddle. The Kenilworth gelding ruled faverite for the race and led by such a wide margin throughout that his backers had no occasion for concern at any time. Osaple, which had been backed to beat him, was the contender all the way. A betting coup was carried through to success when Ciruella, a filly by McGee—Sorrel Top, in the stable of E. Robb, won the two-year-old scramble after having been backed down to 5 to 1 from an opening quotation of 15 to 1. She was in front from start to finish. Marigold, a first-time starter, outlasted the favorite, Test, for second money by a head.

HAVANA RACING TO BE RESUMED TODAY.

Havana, Cuba, Jan. 22.—Racing at the Cuba-American Jockey Club's track at Marianao will be resumed tomorrow, following a lay-off of several days on account of unfavorable weather and track conditions. As the track still is in poor shape, only five races are carded, including a race for army horses to be ridden by officers of the Cuban army. The soldiers who occupy Camp Columbia have some shifty mounts, some of them being thoroughbreds brought over from the Florida tracks a couple of years ago. Many of the officers are at the course every morning getting their mounts in condition for this event. The club will hang up a purse of \$500 for the race and besides will donate a sliver cup which will be presented to the successful rider by President Menocal. There are seventeen entries for this race, which will be run after the third race for thoroughbreds. Fine weather is once more prevailing.

GENERAL NEWS NOTES OF THE DAY.

The Germans are making a new attempt to advance along the Belgian coast, violently bombarding Nieuport, while the allies have made some progress to the cast of the Lombartzyde highway. The French have been driven back into their old positions near St. Mihiel, acording to the official statement issued in Bertin, and have been repulsed north of Verdun. The German statement says the French have been driven out of the heights of Hartmannswiler-Kopf and a number of officers and men captured. The Paris communique states that the French lave re-occupied a trench they were forced to evacuate near Berry-au-Bac, but admits a repulse by the Germans in the forest of Apremont and a slight setback in the forest of La Pretre, northwest of Pont-a-Mousson, where the Germans have recaptured a part of the trenches they lost Wednesday. The Germans have brought their heavy howitzers into play in the Vosges region and are bombarding St. Die. An Amsterdam dispatch states that the Germans have been heavily reinforced in France and are preparing for another try at cutting the French lines at Arras in order to sever the lines of communication feeding the allied forces in West Flanders.

Public and formal notice was given by the British embarsor of the intention of the British government

lines of communication feeding the allied forces in West Flanders.

Public and formal notice was given by the British embassy of the intention of the British government to seize the former German steamship Dacia should it undertake its contemplated voyage to European waters. The state department had communicated this information informally to the owners of the Dacia as a result of a message from Ambassador Page, and was notified in reply that the vessel was loading at Galveston and would put to sea notwithstanding the British government's position. It was believed the owners have resolved to test the issue in a prize court. The announcement by Sir Ceeil Spring-Rice is most emphatic in declaring that the British government does not regard the transfer of the Dacia as valid under accepted principles of international law. This declaration is regarded as signifying the intention of the British government to to yield one iota of its positions in principle with regard to the transfer of not only the Dacia but possibly many other German ships now tied up in docks in this and other neutral countries. Notice is given that the Dacia will be promptly prosecuted in the British prize courts should it fall into British hands.

hands.

The Germans bave been driven back at three points along the Franco-Belgian front, but have renewed the offensive along the Belgian coast and again are bombarding Soissons. At Notre Dame de Lorette, to the north of Beausejour and in the region of St. Mihiel, the French report victories. The allies' claim at St. Mihiel, however, is denied in Berlin. In Poland, while the official statement in Petrograd claims a number of minor advances; it is virtually admitted that the Germans have succeeded in crossing the Vistula river and cutting off the Russian army of a million men which is advancing on west Prussia.

The Russians have renewed their offensive opera-

on west Prussia.

The Russians have renewed their offensive operations against Mlawa, which has changed hands often since the commencement of the war, and it appears they again will attempt to envelop the German forces which are holding the line of the Mazurian lakes and avenge themselves for the defeat at Tannenburg. On the rest of the Polish front and in Galicia the Austro-German attacks are becoming more intermittent, according to the Russian report, Russians continue to make progress against the Austrian outposts in the mountains between Bukowina and Transylvania.
